

ECO G 5W30

The **LSA ECO G 5W30** is a fully synthetic ILSAC GF-6 high performance engine oil which combines the latest development in oil formulation and additive technology to provide a lubricating oil with the highest level of protection, that meets General Motors DX1G2 petrol engine specification requirements.

Meets the following specifications:

- API SP
- ILSAC GF-6
- DX1G2
- Ford WSS-M2C929-A
- Ford WSS-M2C946-A
- Chrysler MS-6395

Typical Characteristics:

Properties	Unit	Value
SAE Grade		5W30
Viscosity @ 40°C	cSt	60
Viscosity @ 100°C	cSt	10
Viscosity Index		170
Density @ 15°C	g/ml	0.875
Flash Point	°C	>215
Pour Point	°C	-39
TBN	Mg KOH/g	7
Zinc Anti-Wear	Ppm	830 - 900

Package Sizes:

- 1000L
- 200L
- 20L
- 5L
