

PX Platinum C4 5W30

PX Platinum C4 5W30 is a premium full synthetic, low SAPS engine oil designed to deliver outstanding protection and performance for modern petrol and diesel engines. Its advanced Double Action formula effectively removes existing sludge and prevents new sludge formation, exceeding stringent industry standards. This helps maintain engine cleanliness, reduce wear, and extend engine life, even under severe driving conditions.

Formulated to meet ACEA C4 specifications, **PX Platinum C4 5W30** is suitable for use in vehicles where Renault RN 0720 and MB-Approval 226.51 performance levels are required. As a low SAPS product, it is ideal for engines equipped with after-treatment systems such as diesel particulate filters (DPFs), helping to maintain emissions performance and prolong component life. It also offers excellent resistance to viscosity and thermal breakdown, minimizes oil consumption, and uses high-quality base oils and anti-wear additives for long-lasting engine health.

Meets the following specifications:

- ACEA C4
- Ford M2C934-B
- MB 229.51, 226.51
- Renault RN 0720
- STJLR03.5005

Advantages & Benefits:

- Cleans and protects: Double Action formula removes sludge and prevents future buildup for a cleaner, more efficient engine.
- Low SAPS formulation: Safe for vehicles with DPFs and other emissions systems, helping maintain compliance and performance.
- Full synthetic performance: Delivers excellent thermal and viscosity stability under high-stress conditions.
- Meets key specifications: Suitable where ACEA C4, Renault RN 0720, and MB 226.51 performance levels are required.
- Engine longevity: Reduces wear and oil consumption with high-quality base oils and anti-wear additives.

Typical Characteristics:

Properties	Method	Unit	Value
SAE Grade	SAE J 300		5W-30
Viscosity @ 40°C	ASTM D445	cSt	69
Viscosity @ 100°C	ASTM D445	cSt	12
Viscosity Index	ASTM D2770		172
Density @ 15°C	ASTM D4502	g/ml	0.85
Flash Point	ASTM D92	°C	215
Pour Point	ASTM D97	°C	-38
TBN	ASTM D2896	Mg KOH/g	6.1

Package Sizes:

- 1000L
- 200L
- 20L
