

## **PX Xtreme C3 5W30**

**PX Xtreme C3 5W30** is a high-performance full synthetic engine oil designed to deliver exceptional protection and efficiency. Engineered with advanced synthetic technology, it maximizes both short- and long-term engine performance across a wide range of driving conditions and temperatures. Its formulation meets the ACEA C3 specification, making it suitable for modern petrol, hybrid, and diesel engines, including those equipped with diesel particulate filters (DPF).

This premium lubricant helps maintain engine cleanliness, reduces wear, and supports optimal fuel economy. **PX Xtreme C3 5W30** is recommended for vehicles requiring a 5W-30 viscosity grade and offers reliable performance for everyday driving as well as demanding environments.

### **Meets the following specifications:**

- API SN/CF
- ACEA - C2 / C3
- GM 2
- MB 229.31, 229.51, 229.52
- VW 502.00, 505.01
- BMW LL-04

### **Advantages & Benefits:**

- Maximizes Engine Performance: Enhances both short- and long-term engine efficiency for smoother, more responsive driving.
- Advanced Wear Protection: Provides superior protection against engine wear, helping extend engine life.
- Temperature Resilience: Maintains performance in extreme hot and cold conditions, ensuring reliable operation year-round.
- DPF Compatibility: Safe for use in diesel engines with diesel particulate filters (DPF), supporting cleaner emissions.
- Versatile Application: Suitable for use in many modern petrol, hybrid, and diesel vehicles requiring a 5W-30 full synthetic oil.

### Typical Characteristics:

Properties	Method	Unit	Value
SAE Grade	SAE J 300		5W-30
Viscosity @ 40°C	ASTM D445	cSt	65
Viscosity @ 100°C	ASTM D445	cSt	11
Viscosity Index	ASTM D2770		162
Density @ 15°C	ASTM D4502	g/ml	0.85
Flash Point	ASTM D92	°C	230
Pour Point	ASTM D97	°C	-32
TBN	ASTM D2896	Mg KOH/g	7.4

### Package Sizes:

- 1000L
- 200L
- 20L
