

Diesel Euro 10W40

Diesel Euro 10W40 is a premium full synthetic heavy-duty diesel engine oil designed for modern commercial vehicles and fleet operations. It delivers reliable protection, consistent performance, and long service life in engines operating under high load, high temperature, and demanding duty cycles.

Formulated with advanced synthetic base oils and high-performance additive technology, **Diesel Euro 10W40** is engineered to support modern low-emissions diesel engines while maintaining strong protection across a wide range of applications. It provides excellent resistance to oxidation, viscosity breakdown, and acid formation, helping to extend oil life and maintain engine cleanliness over extended drain intervals. Designed to perform in engines equipped with modern emissions control systems, it supports consistent lubrication, reduced maintenance requirements, and reliable performance in both on-highway and heavy-duty operating environments.

Meets the following specifications:

- ACEA E11 / E9 / E8 / E7 / E6
- API CK-4 / CJ-4 / SN
- CAT ECF-3
- Cummins CES 20086
- Deutz DQC III-10 LA / III-18 LA
- Detroit Diesel 93K223
- Ford WSS-M2C171-F1
- JASO DH-2
- Mack EO-S-4.5
- MAN M3775
- Mercedes Benz 228.31 / DTFR15C100
- MTU Type 3
- Renault RLD-3
- SAE 10W-40
- Volvo VDS-4.5

Typical Characteristics:

Properties	Method	Unit	Value
SAE Grade	SAE J 300		10W-40
Viscosity @ 40°C	ASTM D445	cSt	97
Viscosity @ 100°C	ASTM D445	cSt	15.2
Viscosity Index	ASTM D2770		165
Density @ 15°C	ASTM D4502	g/ml	0.86
Flash Point	ASTM D92	°C	230
Pour Point	ASTM D97	°C	-39

QP lubes
We stick to what's important

SYNFORCE

Advantages & Benefits:

- Supports extended oil drain intervals for improved fleet efficiency
- Provides strong protection under high load and high temperature operation
- Maintains viscosity stability and resists breakdown over time
- Helps control oxidation, acid formation, and deposit build-up
- Suitable for modern diesel engines with advanced emissions systems
- Delivers reliable performance across mixed fleet and heavy-duty applications

Package Sizes:

- 1000L
- 200L
- 20L
